Accessing DoD Publications

Most DoD publications are available in electronic format on the INTERNET. A link to DoD publications is provided on the PSBC Business Management Web Site at:

www.bragg.army.mil/psbc-bm

At the home page select **Pubs & Forms**.

At the Pubs & Forms page select **DoD Publications**.

Select the type of publication desired from the left side of the screen (Directives, Instructions, Publications (Regs, Manuals) or Administrative Instructions) and then the publication.

DoD publications are available in various formats. It is suggested that you select the **PDF** format for viewing and printing.

You need the **Adobe Acrobat Reader** to view and print **PDF** files. The software may be downloaded from the PSBC Business Management Web Site.

If the publication does not open, click on the alternate (right) mouse button and select Save Target As. Save the document to your Desk Top and open from there. After you have finished with the document, delete the file from your Desk Top.
