### Short Safety Subjects

Safety awareness by all personnel will decrease accidents and ensure that organizations and personnel have a safe work environment and that their off-duty activities are conducted with safety in mind. Public Safety Business Center, Fort Bragg has developed "Short Safety Subjects" which are short, one or two page articles, that may be posted on unit bulletin boards, discussed at staff meetings or at training events. To assist units in their safety awareness program, we have posted Short Safety Subjects on the PSBC Business Management Web Site at:

**[www.bragg.army.mil/psbc-bm](http://www.bragg.army.mil/psbc-bm)**

At the homepage select **Pubs and Forms** then **Short Safety Subjects**.

Select the subject desired.

You need the **Adobe Acrobat Reader** which is available on the First Region (ROTC) Web Site to view and print **PDF** files.

If the publication does not open, click on the alternate (right) mouse button and select Save Target As. Save the document to your Desk Top and open from there. After you have finished with the document, delete the file from your Desk Top.
