Fort Bragg Operational Status

Current Fort Bragg Operational status is provided from the PSBC Business Management Web Site at:

www.bragg.army.mil/psbc-bm

Click on the link **Fort Bragg Operational Status** provided at the top of the page.

The Garrison Commander, Fort Bragg may due to weather conditions or operations situations close Fort Bragg or delay the access to the post.

Personnel who suspect that the Fort Bragg Operational Status has changed should access the link on the PSBC Business Management Web Site or listen to local media to determines the current operational status.

Employees should follow the guidance provided. Additional information is available in PSBC SOP 385-77 which is also available at the PSBC Business Management Web Site on the Pubs & Forms page.

“Emergency Employees” are reminded that they are required to report to work on their normal schedule unless excused by their supervisor.
