

Criminal Investigation Command (CID)

1. The 10th MP Battalion (CID) (Abn) is located in Building 8-1221 on Randolph Street and is a separate agency from the 16th MP Brigade (Abn) and the Fort Bragg PMO. It provides independent support to all Army commanders in North Carolina, South Carolina, North Georgia, and two installations in Virginia. It also provides battlefield criminal investigative support to the XVIII Airborne Corps.

2. CID investigates felony offenses punishable by confinement for more than one year including property offenses with a value greater than \$1,000, drug trafficking, and use of dangerous drugs. You should report criminal offenses to the Provost Marshal Office (6-0391), who will refer to CID when appropriate. A final CID report of investigation (ROI) will provide a full accounting of the facts and circumstances surrounding an investigation and will provide guidance for submission of a Commander's Report of Disciplinary or Administrative Action (DA Form 4833).

3. All drug offenses fall under the purview of CID. You must report positive urinalysis results to CID at 396-8777.

4. The Commander of the 10th MP Battalion provides personal briefings to incoming commanders upon request. For additional information contact CID at 6-6429/9511/8777, e-mail address: 10mpbn.dms@bragg.army.mil.
