a. Authorized hunting days and hours will be posted at the HFC. Sunday hunting is authorized for all Category I personnel. (See Appendix B for definition of Category I.)

2-3. GENERAL HUNTING REGULATIONS.

a. Hunter Control.

(1) Hunting areas are filled on a first-come-first-served basis. The Wildlife Branch Chief, PWBC, will coordinate with Range Control, Readiness Business Center, to determine the availability of areas. Areas opened or closed for hunting will be announced by posting the information at the HFC, Stations Number (No.) 2 and 5, located at the Manchester and Southern Pines Roads intersection and Camp Mackall, respectively, and on the website and telephone voicemail system. The website can be accessed at www.bragg.army.mil/wildlife. Areas open are subject to change.

(2) Deer and turkey hunting slots are assigned on a quota basis. Seventy percent of the hunting slots are authorized for Category I permit holders and thirty percent are authorized for Category II permit holders. After 90 minutes prior to sunrise each hunting day, the quota system stops and hunters may sign-out for any available slot.

(3) Sign-out/in will be done at the HFC and Stations No. 2 and 5. All persons must sign out prior to entering an open hunting

area. Small game hunters are allowed to sign out for the ten major hunting areas designated by name or abbreviation. Table 2-1 lists each named or lettered area and indicates the type(s) of weapon(s) permitted and the approximate hunter capacity. Each individual will personally sign out and in on appropriate sign-out sheets. Minors will be signed out and in for hunting on the same sign-out line as their parent or guardian. Separate sign-out sheets will be maintained for deer and small game. Hunters may not sign out for both

XVIII Abn Corps and Fort Bragg Regulation 420-11

simultaneously. Deer and turkey hunters are also prohibited from signing out for more than one lettered area at the same time. Vehicle control cards (range pass) showing assigned hunting area will be provided at time of sign out and will be visibly displayed in the vehicle when parked. Vehicle control cards are required during scouting, dog training, and archery, dove, and gun hunting seasons. The Garrison Commander can grant exceptions to the above sign-out policy if conditions warrant.

(4) Hunters are not authorized to leave paved roads to enter hunting areas until 90 minutes prior to official sunrise.

(5) Accounting For Hunters Not Signed In. Efforts will be made to account for hunters not signed in by closing time by contacting their home or unit. Physical searches of hunting areas will only be conducted during harsh weather, or when there is good reason to believe that the individual is still located on the range.

(6) Off-post hunters in the immediate vicinity of the Fort Bragg boundary whose dogs accidentally enter Fort Bragg must coordinate with HFC before entering the installation to retrieve those dogs.

(7) Scouting is authorized from opening day of dove season until the opening day of archery season and one week prior to the opening day of gun and turkey seasons. Vehicle control cards are required for scouting. All persons scouting during this time period must sign-out and sign-in. Days and hours for scouting will be posted.

(8) On special occasions, such as opening days or holidays, and in special areas, registration and drawings for spaces may be conducted for safety and security reasons. Such drawings will be planned, organized, and controlled by PWBC, Wildlife Branch personnel.

(9) The Community Activities and Services Business Center (CASBC) is authorized to plan and conduct special hunting and fishing activities for Fort Bragg Youth Activities, disabled veterans, and other special occasions as requested. All such activities will be coordinated with the PWBC, Wildlife Branch to avoid conflicts with ongoing public hunting and fishing programs.
