Legal Assistance Services

Attorneys from the Fort Bragg legal community will offer free estate planning documents for retirees and their spouses with valid ID cards in connection with Retiree Appreciation Day on Saturday, May 14, 2011.

From 9:00 a.m. to 2:00 p.m., wills, living wills, general powers of attorney, health care powers of attorney, financial powers of attorney, and specific powers of attorney will be provided on a first-come, first-served basis, to all military retirees and their spouses at Womack Army Medical Center. Services will be limited once maximum capacity is reached. All of these documents will be prepared and signed on-site the same day.

For those who may be unfamiliar with some of the above terms:

- ✦ **Will:** Controls the distribution of your assets and estate after you die, allows you to choose who will take care of your affairs after death, and allows you to appoint a guardian and/or trustee for minor children
- ✦ **Living Will:** Expresses your desire to be removed from life support if your condition is beyond hope of recovery
- ✦ **Health Care Power of Attorney (POA):** Appoints another person whom you trust to make your health care decisions if you are ever unable to do so (temporary or permanent)
- ✦ **Financial POA:** Appoints an agent to make financial decisions for you if you are ever unable to do so (because you are incapacitated -temporary or permanent)

✦ **General POA:** Conveys expansive powers over your estate to a person you appoint to be your attorney-in-fact. A general POA is typically used to empower someone to handle all of your affairs during a period of time when you will be unable to do so. In some cases, such POAs are unnecessary, and executing such a POA may do more harm than good. Be sure to talk with an on-site attorney about what you are trying to accomplish with such a POA.

There are some limitations to the types of wills that may be drafted that day. Persons with certain special needs children or adults, trust questions, life estates, or family farms may have needs that require specialized assistance or the expertise of a civilian attorney. If you have any of these issues or any questions as to whether you need specialized services, contact the Legal Assistance Office prior to May 14 to discuss these specific needs.

Everyone seeking services at the legal station will be required to complete a will worksheet. Will worksheets may be obtained in advance by e-mailing Captain David Coleman at david.a.coleman2@conus.army.mil or stopping by the XVIII Airborne Corps Legal Assistance Office. Completing this worksheet in advance will assist in processing people as quickly as possible. If you are unable to obtain a worksheet in advance, please be sure to have a list with the following information: the person(s) you wish to serve as your personal representative to handle your affairs, the person(s) to serve as guardian for your minor children or grandchildren,

and the person(s) to serve as trustee to safeguard money for your minor children or grandchildren. You will also need the name, address and phone number of the person(s) you wish to serve as agent and alternate agent in any power of attorney. In addition, please remember to bring your ID card!

It is anticipated that the 2011 Retiree Appreciation Day legal services will be a very well-attended event again this year. In a difficult economy, this is a service that can provide needed and typically expensive legal documents for free. Please be aware, because it is a first-come, first-served walk-in service, you may have to wait to be seen by an attorney. It is strongly encouraged that all retirees and family members who plan to attend be prepared in case you have to wait. Anyone with nutritional or medication needs should be sure to bring provisions in case they are called back to meet with an attorney at breakfast or lunchtime or in case they are waiting for services at a time they would normally eat a snack or take medication.

The Fort Bragg legal offices look forward to serving retirees in our community and extending our gratitude for your years of service and sacrifice. If you have questions about the legal services that will be provided in connection with Retiree Appreciation Day, you may contact the XVIII Airborne Corps legal assistance office at (910) 396-0396 or (910) 396-6113. DHR Sponsors Retiree Shred-A-Thon

Tired of hoarding all those old utility bills and credit card statements. Are your personal filing cabinets running out of storage space? Discarding these type of items in your trash can be risky business especially with Identity Thefts on the rise. All too often personal information is retrieved from one's own personal garbage and later used for fraud.

During the Annual Fort Bragg Retiree Appreciation Day, 0900-1400, Saturday, May 14, 2011, the Director of Human Resources (DHR) will sponsor a Shred-A-Thon Event that's free

to all Military Retirees. What better way to securely dispose of all those no longer needed personal documents.

There will be a shred truck located in a designated location within the parking lot of Womack Army Medical Center. Bring your documents to the designated location and watch the documents as they are shredded. Please pass this on to your friends and help spread the word. Questions can be addressed by calling the Retirement Services Office at Comm (910) 396-5304 or Toll free 1-800-535-6067.

The request for burial honors must be made through the funeral director.
