6.2.1.2 To facilitate transfer, risk assessment, and appropriate classification of inmates, transferring commanders will ensure that the following documents accompany the prisoner: Report of investigation (to include victim and witness statements and investigator's summary), medical records, dental records, completed victim witness forms, report of results of trial, permanent change of station orders, statement of conduct, confinement records, court-martial promulgating order, record of trial, military personnel file, and microfiche/film (restricted file).

6.2.1.3 Coordination for transfer to any Army confinement facility must be made with the Security Force Protection and Law Enforcement Division (DAMO-ODL), a minimum of 48 hours prior to the transfer. After coordination is made, the gaining confinement facility will be notified and provided with the following information: Prisoner's name, offenses, sentence, escorts, arrival time and date, and discussion of any potential problems or issues.
