Immediately report the loss or theft of decals, or vehicle to which decals have been affixed, to proper law enforcement authorities and the Military Police.

You must remove and return to a Vehicle Registration Center the registration decals or residue therefrom upon termination of employment, replacement of windshield, or sale/disposal of the POV. Return them either on a turn-in form (if available), or on a plain sheet of paper. Write the decal number on the turn-in form or paper before you remove the decal, as scraping it off may cause it to shred and make it difficult to read.
