XVIII Airborne Corps and Fort Bragg Regulation 190-5

Chapter 1

1-1. Purpose. This regulation establishes policies and procedures governing motor vehicle traffic on Fort Bragg.

1-2. References.

a. Army Regulation (AR) 190-5, Motor Vehicle Traffic Supervision, 8 Jul 88.

b. Army Regulation 190-29, Misdemeanors and Uniform Violation Notices Referred to U.S. Magistrates or District Courts, 1 Mar 84.

c. Fort Bragg (FB) Regulation (Reg) 210-5, Area Police, Appearance, and Maintenance, 2 Mar 92.

d. DoD Instruction 6055.4, DoD Traffic Safety Program, 20 Jul 99.

e. Fort Bragg Master Policy No. 18, High-Risk Driver and Traffic Safety, 11 Sep 03.

1-3. General Policies.

a. Violation of any provision of this regulation is punishable under the provisions of Article 92, Uniform Code of Military Justice (UCMJ), as a violation of a lawful general regulation.

b. Violation of North Carolina traffic laws (North Carolina General Statute (NCGS), Chapter 20, Motor Vehicles) is punishable under Article 134, UCMJ, through application of the Assimilated Crimes Act, Title 18, United States Code, Section 13 (Misdemeanors and Felonies) and 32 CFR 210 (Infractions). North Carolina laws may be reviewed at the XVIII Airborne Corps and Fort Bragg Provost Marshal Office (PMO).

(1) Petty traffic offenses (sub-misdemeanor level) committed by either civilians or military personnel on Fort Bragg will be processed in the United States (U.S.) Magistrate Court.

(2) All misdemeanor traffic offenses committed by civilians on Fort Bragg will be processed in the U.S. Magistrate Court. All misdemeanor traffic offenses (including driving under the influence (DUI)) committed by military members on Fort Bragg will be processed in the U.S. Magistrate Court unless a request to resolve the matter under the UCMJ has been approved. The process for obtaining such an approval is as follows:

(a) XVIII Airborne Corps and 82d Airborne Division commanders will not impose non-judicial punishment, or prefer charges under the UCMJ, for on-post traffic-related offenses, including DUI, without prior approval of the Commanding General, XVIII Airborne Corps and Fort Bragg. Requests to the Commanding General must originate with

XVIII Airborne Corps and Fort Bragg Regulation 190-5

the soldier's Special Court-Martial Convening Authority, and be forwarded through the Office of the Staff Judge Advocate, XVIII Airborne Corps and Fort Bragg.

(b) United States Army Special Operations Command (USASOC) commanders will not impose non-judicial punishment, or prefer charges under the UCMJ, for on-post traffic violations, including DUI, without consultation with the servicing Staff Judge Advocate and the Chief, Federal Litigation Division, XVIII Airborne Corps.

c. Fort Bragg conducts inspections on commercial vehicles operating in interstate and intrastate commerce with a Gross Vehicle Weight Rating (GVWR) greater than 10,001 pounds, using the standards in the Federal Motor Carrier Safety Regulations at 49 CFR Part 386, (Out of Service authority), 49 CFR Part 383 (Commercial Drivers License), 49 CFR Parts 390 thru 397 inclusive (Safety Regulations). Those vehicles that are determined to be unsafe will be prevented from entering Fort Bragg, and authorized law enforcement personnel may issue citations and out of service orders.

d. The privilege to operate a vehicle on this installation is reserved for persons of maturity, responsibility, sobriety, and to those who show good judgment.

e. Authority to revoke, suspend, or restrict installation driving privileges has been delegated to the Garrison Commander.

f. All persons entering the Fort Bragg Military Reservation are liable to search upon entry, while within the confines of the installation, and upon exit. Such searches must be based upon probable cause to believe that an offense has been committed and that the individual to be searched has committed it, or upon military necessity.

g. Commanders of units and supervisors of activities will bring these traffic regulations to the attention of their personnel and all incoming personnel.

h. A general officer letter of reprimand will be issued to a service member who, either on or off the installation:

(1) Is convicted of intoxicated driving or driving under the influence of alcohol or other drugs;

(2) While driving or in physical control of a motor vehicle, has a blood alcohol content (BAC) of .08 grams of alcohol or greater per 100 milliliters of blood, or .08 grams of alcohol or greater per 210 liters of breath;

(3) Refuses to take or fails to complete a lawfully requested test to measure the alcohol or drug content of his or her blood,

XVIII Airborne Corps and Fort Bragg Regulation 190-5

breath, or urine when there is a reasonable belief of driving under the influence of alcohol or drugs; or

(4) While driving or in physical control of a motor vehicle, was under the influence of illegal drugs as reflected in a lawfully requested chemical test.

i. Privately owned recreational vehicles (PORVs) (such as motor homes, boats, campers, and trailers) may not be parked at private residences for more than 72 hours (for loading and unloading) due to space limitations. These PORVs may be stored at the Community Activities and Services Business Center (CASBC) lot or off post.

Chapter 2

2-1. Installation Driving Privileges.

a. The Garrison Commander or his designee (the designee cannot be assigned primarily to law enforcement duties) may revoke or suspend installation driving privileges under the following circumstances:

(1) For violation of UCMJ Article 111 (Drunken and Reckless Driving), or refusal to take or complete a lawfully requested chemical test to determine alcohol or drug content in blood, or corresponding NCGS offenses.

(2) When a person operating a vehicle on the installation is cited for speeding more than 20 miles per hour in excess of any posted speed limit or for violating NCGS for reckless driving. In these cases, the period of revocation will be 12 months.

(3) Upon recommendation of the unit commander. Unit commanders may request revocation or suspension of the installation driving privileges for members of their command when measures such as counseling, remedial driver training, or other rehabilitation programs have failed to produce the desired driving performance. (Address revocation/suspension requests to the Garrison Commander, and endorse them through the brigade/group level and the Office of the Provost Marshal.)

(4) For two or more moving traffic violations in a 12-month period.

(5) For failure to attend Driver Improvement Training when required, as outlined in Fort Bragg Master Policy No. 18, High-Risk Driver and Traffic Safety.

(6) For failure to pay a traffic citation or appear in court when required.

XVIII Airborne Corps and Fort Bragg Regulation 190-5

b. Army Regulation 190-5, paragraph 2-5, lists certain situations where suspension or revocation of driving privileges is mandatory. Administrative due process procedures for suspensions and revocations of driving privileges are set forth in AR 190-5, paragraph 2-6.

c. Restricted driving privileges. The criteria for obtaining restricted driving privileges are set forth in AR 190-5, paragraph 2-11. The individual's chain of command will submit requests for restricted driving privileges to the Garrison Commander, endorsed through the brigade/group level and the Office of the Provost Marshal. Requests will include proof of a valid state driver's license and, for drug or alcohol related offenses, proof of enrollment in the Fort Bragg Army Substance Abuse Program (ASAP) treatment program. The Garrison Commander will forward decisions through the Provost Marshal and command channels to the individuals concerned.

Chapter 3

3-1. Vehicle Registration.

a. Definitions. See Glossary for important definitions.

b. Vehicle Registration is accomplished by visiting a Vehicle Registration Center, completing required paperwork, presenting required documentation, and receiving/updating a decal set or temporary pass. The individual applying for the decal/pass must personally visit a Vehicle Registration Center. Only the categories of personnel/vehicles shown herein are authorized to register; others are not so authorized. Fort Bragg does not issue either "visitor" or "day" passes. General registration principles are summarized below.

c. All vehicles are subject to search, regardless of whether they have a decal, have a temporary pass, or have neither.

d. In order to be permitted access to Fort Bragg, all personnel in the vehicle must present a photo identification (ID) issued by the Federal government or a state government. Valid ID types include military ID card (Active, Reserve, Dependent, and Retiree), other Federal government issued ID card (CAC Card, DA Form 1602, DD Form 2574, etc.), driver's license, passport, U.S. Citizenship and Immigration Services "Green Card," and the photo ID typically issued by states that serves in lieu of a driver's license for non-drivers. In cases where at least one person presents a Department of the Army (DA) or Department of Defense (DOD) ID, that person may be allowed to vouch for the other vehicle occupants without the need for the other occupants to present an ID. However, this requirement may be raised to a 100 percent ID check of all adult occupants at any time without prior notice.

XVIII Airborne Corps and Fort Bragg Regulation 190-5

e. Trucks larger than pickup truck size or passenger van size, and vehicles towing other vehicles/trailers/devices that cannot be readily visually inspected, are limited to using the Knox Street and Longstreet Access Control Points (ACPs). However, safety permitting, such vehicles having Fort Bragg issued temporary passes may use any open ACP. Such vehicles having Pope Air Force Base (PAFB) issued temporary passes are limited to using the Knox Street and Longstreet ACPs.

f. Changes in Terrorist Force Protection Condition (TFPCON) and/or military necessity may result in changes without notice to the procedures described herein.

g. Mandatory Registration.

(1) All active duty military personnel (including allied officers) and their family members assigned to Fort Bragg, DA/DoD civilians employed by Fort Bragg, local Reserve and National Guard members, and contractors working on Fort Bragg must register their privately owned vehicles (POVs) driven on Fort Bragg.

(2) If otherwise qualified to receive a DoD decal or temporary pass, rental and leased vehicles that serve in lieu of a POV or government owned vehicle (GOV) may receive registration valid only through the length of the rental or lease term.

(3) Registration must be completed not more than five working days after beginning in-processing at the installation, or acquisition of a new vehicle. This includes vehicles already having a valid DoD decal from another installation.

h. Optional Registration. Retirees and their family members, and surviving spouses and children of deceased military members who possess valid military ID cards may also register their vehicles. Civilians issued a DA Form 1602 may also receive decals.

i. Specific entitlement to register is reviewed on an ongoing basis, and current information is available at any Vehicle Registration Center. (See Appendix E for details on registration requirements.)

j. Registration as a commercial (company) vehicle overrides all other entitlements and criteria for registration. If a vehicle is or may ever be used as a commercial (company) vehicle on the installation, it will be considered and processed as a commercial (company) vehicle.

3-2. Decals. Decals are normally issued for long-term registrants (typically over one year). They consist of a blue-and-white DD Form 2220, a color-coded Fort Bragg tab, and a one- or two-part expiration date tab. Vehicles with decals may use any open ACP, as

XVIII Airborne Corps and Fort Bragg Regulation 190-5

well as lanes that are designated as "Decal Only" lanes, subject to the limitations of paragraphs 3-1c and 3-1e above.

3-3. Temporary Passes. Fort Bragg issued temporary passes generally carry the same level of privilege as decals, but are valid only for the personnel specified on the temporary pass. Vehicles with Fort Bragg issued temporary passes may use any open ACP, as well as lanes that are designated as "Decal Only" lanes, subject to the limitations of paragraphs 3-1c and 3-1e above. Temporary passes will be issued to personnel, including personnel on temporary duty (TDY) to Fort Bragg and all other categories, only if there is an ongoing requirement to access the installation in the vehicle for at least eight days from the date of application for the temporary pass (See Appendix E). Passes may be placed into document protectors, as long as they can be easily removed from same. However, they may not be laminated, cut, photocopied, shrunk, or altered in any other way. Personnel using PAFB issued AF Form 75 passes must go through an inspection lane. Personnel with Pope AFB issued temporary passes who are operating non-passenger type vehicles must use the Knox Street or the Longstreet ACP.

a. Temporary passes are typically issued in cases where personnel would otherwise normally be eligible for a decal, but the term of registration is expected to be one year or less, such as rental vehicles, personnel having vehicle lease contracts, employees considered to be in high turnover jobs/occupations, etc. They are also typically issued where basic eligibility to register has been established, but where there are issues regarding the length of the term of registration.

b. In addition to the above, vehicles transporting people on official government business at the request of a Fort Bragg official (such as authorized service providers under government contract) may receive a temporary pass not to exceed (NTE) 12 months or the duration of the service, whichever is shorter. One of the following personnel, who must be permanently assigned to Fort Bragg, must sponsor such vehicles/personnel by signing FB Form 5051-E using the format at Appendix C, requesting a temporary pass for such persons under his/her supervision: Garrison Commander, Deputy Garrison Commander, business center director/brigade commander/tenant activity commander (usually O6 or equivalent), or XVIII Airborne Corps and Installation Management Agency (IMA) Primary Staff Officer/Personal Staff Officer/Special Staff Principal in grade O6 or above. (See Appendix C for format and details.) Personnel applying for temporary passes under this provision must use the Randolph Street Vehicle Registration Center. Temporary passes granted under this provision are appropriate for (but not limited to):

- (1) Womack Army Medical Center interns and residents.

XVIII Airborne Corps and Fort Bragg Regulation 190-5

(2) Trucks or other commercial/company vehicles of certain contractors/vendors/entities who have a habitual, long-term (six months or more) relationship with the installation (e.g., food supplier trucks, soft drink company trucks).

(3) Wildlife officials/volunteers who routinely inspect/assist the Public Works Business Center (PWBC).

(4) Allied students attending a military school.

(5) Faculty at on-post colleges/universities.

(6) Red Cross volunteers.

(7) Local businessmen, professionals, and political officials who have a habitual, long-term (six months or more) relationship with Fort Bragg (e.g., funeral homes, Womack home health care providers).

(8) Taxis, limousines, or other commercial vehicles for hire used to transport personnel on post, whose companies have a habitual, long-term (six months or more) relationship with the installation. Any vehicle registered under state law for such a purpose and/or used for such a purpose will be considered a commercial vehicle. (Note: Vehicles in this category having a temporary pass may use "Decal Only" lanes when coming on post to pick up passengers, but must go through one of the inspection lanes when bringing any passengers on post.)

(9) Authorized Family Care Plan personnel/bona fide long-term guests. These personnel will need to present appropriate documentation verifying their status to the sponsor who signs the FB Form 5051-E (as prescribed in paragraph 3-3b above).

(10) Important: Temporary passes issued to personnel in all categories falling under the provisions of paragraph 3-3b are valid only for the specified individual in the specified vehicle. For example, if Mr. Smith always drives Cement Truck #4 under contract from Hard As Nails, Inc., it is eligible to apply for a pass. However, if Cement Truck #4 is in the company fleet and may be dispatched to any employee, it is not eligible to apply for a pass.

c. Temporary passes may be issued for up to 12 months to parents/guardians of minor children ID card holders, where the parents/guardians are not themselves eligible for decals/passes. The passes are limited to use only while the temporary pass holder is actually transporting the ID card holder to a bona fide destination (such as a medical appointment), with the ID card holder physically present in the vehicle.

d. Temporary passes may be issued for up to 12 months to drivers of ID card holders or other employees who due to a medical condition are unable to drive. When registering, these personnel must present the memorandum the ID card facility prepares in such cases, or the

XVIII Airborne Corps and Fort Bragg Regulation 190-5

Appendix C format FB Form 5051-E, as applicable. If a timeframe shorter than 12 months is indicated on the memorandum/FB Form 5051-E, the pass will be issued for the shorter timeframe.

3-4. Situations in Which Registration/Decals/Passes Are Not Required.

Registration/decals/passess are not required for:

- a. Non-self-propelled recreational vehicles (RVs), such as campers, boats, or trailers. (Self-propelled RVs, such as motor homes, are subject to normal POV registration requirements.)
- b. All terrain vehicles (ATVs) and other POVs designed solely for off-road use and actually used solely off-road.
- c. Tactical vehicles.
- d. Non-tactical vehicles with U.S. government license plates or a transportation motor pool (TMP) dispatch.
- e. Emergency response vehicles.
- f. Construction equipment towed or hauled on a primary vehicle.
- g. Materiel handling equipment, such as a forklift, that is typically kept and used at a construction site or in a warehouse.
- h. Fort Bragg school buses.
- i. Local public transportation vehicles such as Fayetteville Area System of Transit (FAST) buses.
- j. Bicycles and mopeds not required by the state of North Carolina to be registered as motor vehicles. (Note: Personnel using these as a means of transportation between off-post and on-post locations may register them at their option, provided they are otherwise qualified to register a vehicle.)

3-5. Situations in Which Decals/Passes Will Not Be Issued.

Decals/passess will not be issued to the following (these categories of personnel/vehicles are not eligible even under the provisions of paragraph 3-3b above):

- a. Unaffiliated personnel who use sports or entertainment facilities, hunt, fish, or visit family or friends (such as in family housing or in the barracks) on the installation.
- b. Unaffiliated fast food delivery personnel.
- c. U.S. Mail trucks, Federal Express (FedEx) trucks, United Parcel Service (UPS) trucks, and other package delivery trucks - even if they have a habitual, long-term relationship with the installation.

XVIII Airborne Corps and Fort Bragg Regulation 190-5

d. Unaffiliated college students who are continuing their education through on-post college/university classes.

e. Vehicles with dealer plates.

f. Employees who provide a personal service to Fort Bragg residents (e.g., maids, landscapers for individual family quarters, tutors, etc.).

g. Multi-driver fleet vehicles (e.g., commercial vehicles where the driver of any given vehicle is subject to changing from day to day, as opposed to a specific driver regularly using a specific vehicle).

3-6. Very Important Person (VIP) Passes. XVIII Airborne Corps Protocol will issue VIP passes to selected personnel at their discretion who have been invited to Fort Bragg by the Installation Commander for functions that promote goodwill and understanding of the Fort Bragg mission. These passes will be valid only for the date(s) of the event. Personnel seeking VIP passes will coordinate directly with XVIII Airborne Corps Protocol (telephone (910) 396-2804/9417/2409/2137) to obtain these passes.

3-7. Documentation Required to Register a Vehicle.

a. To register a vehicle or update an existing registration, an individual must present specific documents.

(1) The most commonly required documents include the following:

<u>Documents Commonly Required to Register a Vehicle</u>	
#	<u>Document</u>
1	A valid state operator's license (not under suspension or revocation).
2	State registration.
3	Proof of insurance (including effective dates).

XVIII Airborne Corps and Fort Bragg Regulation 190-5

<u>Documents Commonly Required to Register a Vehicle</u>	
#	<u>Document</u>
4	Proof of Social Security Number (SSN) (such as military ID card, Social Security Card, pay stub, etc.).
5	Proof of employment/status (such as a military ID card, copy of contract plus Appendix B format FB Form 5051-E, etc.).
6	FB Form 2229-E, Vehicle Registration Worksheet, at Appendix A. This form is available at any Vehicle Registration Center. It is also accessible on the Fort Bragg Web at https://dragonnet.bragg.army.mil/itbc/forms/ .
7	Contractors, personnel/entities processed like contractors, and personnel seeking registration under the provisions of para 3-3b also require documentation as specified in Appendix B and Appendix C.
<u>Many situations require additional documents.</u> <u>See Appendix E for a comprehensive list of documents required for various situations.</u>	

(2) All applicable documents must be presented each time a registration is made or updated (such as replacing a faded decal, getting a new decal when a windshield has been replaced, etc.). Customers should ensure they have all required documents prior to coming to a Vehicle Registration Center.

b. Active duty military personnel and government civilian employees registering a motorcycle must also show proof that they have completed a Motorcycle Safety Foundation (MSF) certified Experienced Rider motorcycle safety course. Contact the Fort Bragg Safety Office at 907-0139 or 396-7233 for further information on this requirement and for course schedule.

c. Registration may be denied or rescinded based on conviction or pending charges of one felony, three misdemeanors, or other such information, as in the judgment of the Provost Marshal, is sufficient to warrant denial/rescission. Appeals for adjudication of registration denials or rescissions will be routed through the Provost Marshal to the Garrison Commander.

d. Additional details are listed in Appendix E.

3-8. Placement of Decals.

a. Decals will be affixed directly to the exterior of the front windshield. They may be placed either at the top center or to the lower left corner (driver's side) of the vehicle's windshield.

b. Decals will not be placed in the path of the windshield wipers.

c. Decals will not cover or interfere with any state-issued registration decal, safety inspection sticker, or emissions decal. They will not be placed in contravention of any state law or regulation.

XVIII Airborne Corps and Fort Bragg Regulation 190-5

d. On motorcycles, the decals will be affixed to the operator's front left fork lengthwise; or on the windshield, if so equipped; or on a state-approved inspection plate on the operator's left side.

e. Decals may not be placed on any loose or removable placard or device that can be transferred among vehicles. Any such decals will be confiscated.

3-9. Clearing of Registered Vehicles.

a. Military personnel who ETS (Expiration of Term of Service) from Fort Bragg must clear one of the Vehicle Registration Centers during out-processing and turn in their decals/temporary passes.

b. Military personnel on permanent change of station (PCS) orders must also clear one of the Vehicle Registration Centers during out-processing; however, they will retain the DD Form 2220 if the vehicle is being taken to their new duty station, and will in-process at the vehicle registration office at their new duty station. The decal may also be retained if they are being assigned overseas and their eligible family members will continue to use the vehicle in CONUS.

c. Family members of military personnel must clear one of the Vehicle Registration Centers when their sponsor ceases to be eligible for a decal/temporary pass, or when they themselves cease to be eligible for a decal/temporary pass.

d. Civilian personnel (including contractors) whose employment is terminated must turn in their decals/temporary passes.

e. Decals must be turned in at any other time when no longer being used by the individual to whom they were issued, such as replacement of a windshield or sale of the vehicle to another owner.

f. To clear the decals, write the decal number on FB Form 2230-E, Vehicle Clearing/Turn-In Record and Receipt, at Appendix D, or on a plain sheet of paper before you remove the decal, as scraping it off may cause it to shred and make it difficult to read. Then remove and return to any Vehicle Registration Center the decals or residue thereof. Return them either on the turn-in form or the plain sheet of paper. This form is accessible on the Fort Bragg Web site at <https://dragonnet.bragg.army.mil/itbc/forms/>.

g. If for any reason the decal residue cannot be provided when clearing a decal, complete the turn-in form (Appendix D) explaining why the decal residue is unavailable, sign and date the form, and turn it in to a Vehicle Registration Center.

3-10. Lost, Stolen, or Unserviceable Decals.

XVIII Airborne Corps and Fort Bragg Regulation 190-5

a. Report lost or stolen DoD decals to the Military Police. Clear the decal by following the procedure in paragraph 3-9g above.

b. Bring the residue of unserviceable decals (e.g., ink faded so serial number is no longer legible) to a Vehicle Registration Center. Clear the decal by following the procedure in paragraph 3-9f above.

c. Personnel who fraudulently attempt to gain access to the installation may be charged with trespassing and may be denied decal or pass privileges.

Chapter 4

4-1. Speed Restrictions.

a. General.

(1) No person will drive a vehicle on a highway or in a public vehicular area at a speed greater than that which is posted or reasonable under existing conditions.

(2) Except as otherwise provided in this regulation, it shall be unlawful to operate a vehicle in excess of the speeds outlined in paragraph 4-1b below.

b. Maximum Speed Limits. Except when a special hazard exists which requires a lower speed, the speed limits specified in this paragraph shall be the maximum lawful speeds:

(1) Fifteen miles per hour in any housing area.

(2) Twenty-five miles per hour in any hospital or school zone.

(3) Ten miles per hour in any service drive in a housing area.

(4) Ten miles per hour in any parking area, motor pool, or motor park, unless otherwise posted.

(5) Ten miles per hour when approaching or passing troops in formation.

(6) Twenty-five miles per hour on unpaved roads, and the posted speed limit on all paved roads, for tactical vehicles, unless otherwise directed.

(7) Fifteen miles per hour for tactical vehicles operating with blackout lights or as directed by the commander.

XVIII Airborne Corps and Fort Bragg Regulation 190-5

(8) Twenty miles per hour (conditions permitting) when driving past an ACP in the outbound lanes where no median is present.

Chapter 5

5-1. Restricted Traffic.

a. No person shall drive any tactical vehicle through any family housing area except in direct support of "Community Life" activities, e.g., removal of tree limbs or pine needles or the transportation of special project material (tables, swings, or athletic equipment). This prohibition also applies to commercial vehicles used tactically.

b. The following streets are closed to all traffic (including bicycles, motorbikes, skateboards, roller skates, and roller blades) other than emergency vehicles from 0630-0730, Monday through Friday, for the purpose of unit physical training (PT), provided that unit traffic control points are in place:

(1) Ardennes Street from Los Banos Street to Longstreet Road.

(2) All of Logistics Street; Goldberg Street from Logistics to Lane Streets; Randolph Street from Watson Street to Butner Road in the 1st COSCOM area; and Butner Road north of Honeycutt Road in the 1st COSCOM area.

c. Drivers of motor vehicles will not avoid or evade an official traffic control device, signal, sign, marking, or officer by "cutting" through or using adjacent roadway, driveway, or intersection to circumvent the requirements called for by the official traffic control device, signal, sign, marking, or officer.

Chapter 6

6-1. Stopping, Standing, and Parking.

a. Except as necessary to comply with the law, the direction of a police officer, or an official traffic control device, no person shall stop, stand, or park a vehicle in any area not specifically designated as a parking area.

b. No person shall repair or perform maintenance upon a privately owned vehicle in a motor pool, a parking lot, or a housing area if the work requires more than one day. Violators of this provision will be cited and must move their vehicles to a craft shop or off post.

c. Motorcycles, mopeds, and bicycles may not park in the areas abutting handicapped parking spaces. These areas must remain unobstructed to allow for the movement of equipment needed to assist physically impaired persons.

XVIII Airborne Corps and Fort Bragg Regulation 190-5

d. Military Police will not enforce parking spaces designated for commanders, first sergeants, or sergeants major. These are courtesy parking spaces and do not meet the requirements of any punishable statute.

e. Military Police will not enforce parking spaces designated for specific quarters in the housing areas. These are courtesy parking spaces and do not meet the requirements of any punishable statute. Residents who wish to complain about others parking in their spot should address this through Community Life Program channels.

Chapter 7

7-1. Vehicle Towing. Military Police will coordinate service for towing and storage when the operational traffic conditions dictate, or when an immediate emergency requires additional service. Vehicle owners are responsible for all towing and storage fees. Military Police may order the following towed:

a. Abandoned vehicles. Law enforcement personnel discovering an apparently abandoned vehicle will attach a readily visible notification sticker (such as DD Form 2504) to the vehicle. The owner of an apparently abandoned vehicle will be allowed three days from the date the vehicle is initially tagged to remove the vehicle. If the vehicle is not removed within three days, it will be towed. An abandoned vehicle is defined as:

(1) Any vehicle left within the limits of any roadway, outside the cantonment area, or upon the property of another without the consent of the owner of the property, for a period of 24 hours or longer; or,

(2) Any remnant of a motor vehicle which is inoperative and cannot be made operative without the addition of vital parts or mechanisms; or,

(3) Any other vehicle, which law enforcement personnel reasonably believe to be abandoned.

b. Illegally parked personally owned vehicles.

c. Personally owned vehicles that constitute a safety hazard, interfere with a military mission, block a fire hydrant, block a fire lane, or block a "B" lane. In cases of government vehicles, the assigned unit will be contacted to move their vehicle prior to towing.

d. Vehicles for which no proof of ownership exists or cannot be reasonably obtained in a timely manner.

XVIII Airborne Corps and Fort Bragg Regulation 190-5

e. Vehicles found in operation without current liability insurance.

f. Vehicles at an accident scene, which law enforcement personnel determine to be unsafe due to mechanical deficiencies or structural damage, and cannot be repaired on the spot.

g. Vehicles without handicap identification that are parked in a designated "Handicapped" parking space or area.

h. Vehicles operated by drivers under the influence of alcohol or drugs.

i. Any vehicle found to be operated by a driver whose license is currently under suspension or revocation in any state, province, territory, or country.

7-2. Vehicle Impoundment. Certain vehicles may be towed to the Provost Marshall Office (PMO) and impounded there at the direction of the PMO. These include the following:

- a. Vehicles in traffic accidents involving fatalities.
- b. Vehicles seized as evidence.
- c. Recovered stolen vehicles.

Chapter 8

8-1. Prohibited Acts.

a. Wearing portable headphones, earphones, or other listening devices while operating a motor vehicle is prohibited.

b. The use of radar or laser detection devices to indicate the presence of speed recording instruments or to transmit simulated erroneous speeds is prohibited.

c. Drivers must use caution when using cell phones, global positioning systems, and other modern communication and navigation devices. Whenever possible, use these devices only when the vehicle is safely stopped.

Chapter 9

9-1. Noise Abatement. No operator of a motor vehicle will emit excessive music/noise while the vehicle is parked or in motion. Violators of this policy are subject to administrative action, including loss of installation driving privileges. The following are examples of excessive noises that violate this noise abatement policy:

XVIII Airborne Corps and Fort Bragg Regulation 190-5

a. Personal vehicular music amplification will be considered "excessive" when operated in such a manner as to be plainly audible at a distance of 50 feet in any direction from the vehicle. "Plainly audible" means any sound that can be detected by a person using his or her unaided hearing faculties. As an example, if the sound source is a radio or other portable or personal vehicular sound amplification or reproduction device, the detection of the rhythmic bass component of the music is sufficient to verify plainly audible sound. It is not necessary that the title, specific words, or artist of the song be identified.

b. Motor vehicles emitting excessive noise due to lack of a functioning muffler, or to a muffler modified to increase the noise emitted.

**Appendix B
DA 1687/FB 5051-E Formats for Contractor Employee POVs**

This appendix contains samples of the stated formats used in conjunction with the types of situations shown in the table below.

Registrant/ Vehicle Category	Verbiage for "The Authority To" Block	Who May Be Listed on the DA 1687	Who Signs Bottom Assuming Full Responsibility	Remarks
Contractor employee POVs (and POVs for entities handled as contractors – see Appendix E)	"Request registration for employee POVs under provisions of Appendix B, FB Reg 190-5."	Up to 4 company officials (such as owner, foreman, office manager, supervisors, etc.)	Highest ranking individual in preceding column	If company is not locally based, the lead/supervisory company individual working on Fort Bragg signs at bottom. In absence of any such individual, the local COR does. If no local COR, then this authority reverts to personnel authorized to request registration for commercial vehicles IAW Appendix C.
Subcontractor POV	N/A (See Remarks)	N/A (See Remarks)	N/A (See Remarks)	Subcontractors must process their requests through the prime contractor. (See above.)
Instructions for Companies/Entities Preparing DA Form 1687				
Prepare DA 1687 in 3 copies. Signatures on all 3 copies must be originals. Provide all 3 copies to Randolph Street Vehicle Reg Ctr. Personnel listed on these DA Forms 1687 are responsible for developing procedures to recover decals/passes and to ensure they are turned in to a Vehicle Registration Center, when the decal/pass holder leaves their unit/employ or at such other time as eligibility for the decal/pass terminates.				
Instructions for Registrants				
Step 1: Check with your company/entity to ensure they have a current DA Form 1687 on file at the Randolph Street Vehicle Reg Ctr. Step 2: Complete FB Form 2229-E. Step 3: Complete Sections A, B, and E of FB Form 5051-E IAW Appendix B, FB Reg 190-5. Request (one of) the individual(s) listed on the DA Form 1687 to complete Section D of FB Form 5051-E. Bring the completed FB Form 5051-E, your FB Form 2229-E (Step 2 above), and any other required documents to the Randolph Street Vehicle Registration Center.

XVIII Airborne Corps and Fort Bragg Regulation 190-5

**Appendix D
Vehicle Decal Clearing/Turn-In Record and Receipt**

Fort Bragg Form 2230-E is the preferred means used to clear vehicles from the registration system. It provides a means for turning in decals. It can be obtained from any Vehicle Registration Center or on line at <https://dragonnet.bragg.army.mil/itbc/forms/>. If unavailable, a plain sheet of paper listing this information may be used instead.

VEHICLE DECAL CLEARING/TURN-IN RECORD AND RECEIPT

FB Reg 190-5

PRIVACY ACT STATEMENT					
AUTHORITY: 10 U.S.C. 3013, Secretary of the Army, AR 190-5, Motor Vehicle Traffic Supervision and E.O. 9397 (SSN). PRINCIPAL PURPOSE(S) AND ROUTINE USE: To clear vehicles registered in the DoD system IAW AR 190-5. DISCLOSURE: Voluntary. However, failure to provide requested information may delay or prevent updating vehicle registration and/or out-processing.					
1. Use this form to turn in decals when selling or otherwise disposing of your vehicle, when replacing your windshield, when no longer entitled to have a decal (such as ETS-ing, terminating employment, etc.), or when otherwise needing to change or clear vehicle decal registration records. 2. Complete the top portion of the form before scraping off and affixing the decal residue. (The DoD decal number may be difficult to read after removal from vehicle.) If you need confirmation (such as for clearing your activity) that you have turned decals in, also complete the bottom portion of the form. 3. Scrape decals off and attach residue in indicated area. Include residue for all decals, including DoD, Fort Bragg, and expiration date. Take the form to any Vehicle Registration Center for processing. Use additional forms if clearing 3 or more vehicles.					
Last Name		First Name		SSN	
Year		Make		DoD Decal Number	
		License Plate			
		State	Number		
Attach residue of all decals here (OK to use tape, staples, or fold and put into an envelope. If decal residue is not available, explain why.)					
Use area below if also turning in decals for a second vehicle.

47	POV for authorized Family Care Plan personnel/bona fide long-term guest	Yes	Pass	1, 2, 3, 4, 8, 9 (if applicable)	If service member owns vehicle, vehicle power of attorney required

XVIII Airborne Corps and Fort Bragg Regulation 190-5

Notes

1. Due to the variety and combinations of circumstances that may arise, registration may be limited, rescinded, or denied pending receipt of additional guidance, information, and/or documentation from the registrant.
2. To obtain a temporary pass under any eligibility criteria, the individual must have an ongoing requirement to access Fort Bragg for at least 8 days from the date the temporary pass is applied for at a Vehicle Registration Center. Temporary passes will not be issued for shorter lengths of time. (Fort Bragg does not issue either “visitor” or “day” passes. Individuals eligible for VIP Passes may apply for those as described in para 3-6, FB Reg 190-5.)
3. In cases where a decal would normally be issued, but term of entitlement is a year or less (example: ETS in 3 months), only a temporary pass will be issued. Term of entitlement may be based on expiration date of ID card, etc.
4. Contractors, personnel applying for temp passes under para 3-3b and 3-3c, and personnel from states (such as Texas) not issuing hard copy registration documentation must use the Randolph Street Vehicle Registration Center.
5. “Contractor” refers to a business/entity having an actual contract requiring performance on Fort Bragg. Examples of valid contract documents include SF 1449, DD 1155, SF 26, etc. Other businesses/entities are called “vendors.”
6. To be considered a POV, a vehicle must meet **all 4** of the following criteria: (1) is owned by and registered to a private individual (not a business/commercial entity... even if there is only one individual in the business/commercial entity, such as a sole proprietorship) (exception: rental vehicles, and vehicles being leased rather than purchased outright from a dealer on a standard lease agreement, may be treated as POVs, provided they meet the next 3 criteria), (2) is designed as a typical passenger vehicle (sedan, pickup truck, minivan, full-size passenger van, station wagon, SUV, etc.), (3) does not have or ever display any commercial markings (such as company name or logo painted on the body, removable magnetic sign with company name displayed on the vehicle, etc.), and (4) is not being used for commercial purposes. Vehicles falling outside this definition are classified as commercial or company vehicles. Registration of/as a commercial/company vehicle overrides all other entitlements and criteria for registration.
7. **The Appendix B, FB Form 5051-E, format** is used **only** by contractor employees assigned to and working on Fort Bragg to register their Privately Owned Vehicles (POVs). This is the **only** situation for which this format is used.
8. **The Appendix C, FB Form 5051-E, format** is used by contractors to request registration of their commercial/company vehicles (see Note 6 above), as well as by other personnel specified in paragraph 3-3b. For vehicles issued temporary passes under the provisions of paragraph 3-3b, the temporary pass is valid **only** for the individual to whom it is issued (the individual’s name will be printed on the temporary pass).
9. Trucks larger than pickup truck size or passenger van size, and vehicles towing other vehicles/trailers/devices that cannot be readily visually inspected, are limited to using the Knox Street and Longstreet ACPs. However, safety permitting, such vehicles having Fort Bragg issued temporary passes may use any open ACP.
10. An individual entitled to register a vehicle may register a POV owned by his/her spouse (but not parent/child).
11. Only the categories of personnel/vehicles shown herein are authorized to register; others are not so authorized.
12. Temporary passes may be placed into document protectors but not laminated, cut, photocopied, shrunk, or altered.
13. In cases where there is a directly related alternate driver, up to 2 alternate drivers may be listed on a temporary pass. Allowable examples include rental vehicles (such as for TDY), commercial vehicles where shift work is normally involved, and eligible family members (such as registering a new car with temporary plates). If a 5051-E is required for the primary driver, it is also required for the alternate driver, who must be present with their 5051-E when the primary driver registers. Federal government-owned or long-term federal government-leased vehicles may be registered to the responsible individual (e.g., unit commander) and operated by any government employee (service member or DA/DoD civilian).

Documents Required for Registration for Decal or Temporary Pass

- 1 – Driver’s license
- 2 – State registration
- 3 – Proof of insurance/financial responsibility (documentation must show specific inclusive dates)
- 4 – Proof of Social Security Number
- 5 – Military ID card
- 6 – DA/DoD civilian ID card (CAC or DA Form 1602), Post Office badge, FB DDES Schools badge, AAFES ID card (DD Form 2574), DA Form 5003/comparable documentation
- 7 – Proof of employment, such as copy of initial pages of contract and FB Form 5051-E (see sample at Appendix B) with

XVIII Airborne Corps and Fort Bragg Regulation 190-5

original signature (must verify individual is assigned to and working on Fort Bragg)

8 – FB Form 5051-E (see sample at Appendix C) with current date and original signature (and current DA 1687 on file at Randolph Street Vehicle Registration Center) by GC/DGC/business center director/brigade commander/tenant activity commander, typically COL or equivalent, permanently assigned to Fort Bragg, for persons under his/her supervision; personnel authorized to sign also include XVIII Abn Corps and IMA Primary Staff Officers, Personal Staff Officers, and Special Staff Principals in grade O6 or above; note that under this provision, passes will only be granted to personnel who habitually operate the same vehicle, and are valid only for that person in that vehicle

9 – Power of attorney or notarized letter from vehicle owner specifying authorized inclusive dates for operation

10 – Host nation driver's license or international driver's license

11 – Proof of ownership/foreign country registration

12 – Proof of completion of a Motorcycle Safety Foundation certified Experienced Rider motorcycle safety course; a one-time nonrenewable temporary pass NTE 60 days may be granted for personnel to allow time for them to obtain a motorcycle endorsement on their operator's license and/or to obtain Experienced Rider course certification

13 – Copy of rental or lease contract showing unexpired rental/lease inclusive dates (also see Note 2 above)

14 – For military ID card holders, copy of memo from ID Card Facility stating ID card holder has a medical condition preventing them from driving; for non-military-ID card holders, FB Form 5051-E (Appendix C)

15 – Copy of appropriate documentation establishing individual as a parent/guardian of minor child ID card holder

XVIII Airborne Corps and Fort Bragg Regulation 190-5

Glossary

The definitions set forth in the glossary of the current AR 190-5 apply to this regulation. Selected definitions from AR 190-5, dated 8 Jul 88, as well as other definitions as specifically used in this regulation, are provided for your convenience.

Commercial or company vehicle. A commercial or company vehicle is a vehicle falling outside the definition established for a POV. The terms "commercial vehicle" and "company vehicle" are synonymous.

Contractor. A business/entity and its employees having an actual contract requiring performance on Fort Bragg. Examples of valid contract documents include SF 1449, DD 1155, SF 26, etc. A business/entity falling outside this definition is considered a vendor (See below). Unless specified otherwise, for the purposes of this regulation, organizations having formal partnership agreements in lieu of contracts (such as Picerne Military Housing, Inc.) will be considered, referred to, and processed as contractors.

Motor vehicle. Any vehicle driven or drawn by mechanical power, and manufactured primarily for use on public streets, roads, and highways. (Vehicles operated only on a rail or rails are excluded.)

Moving traffic violation. A violation occurring while the operator's vehicle is in motion.

Privately owned vehicle (POV). A POV is a vehicle that meets all four of the following criteria:

- Is owned by and registered to a private individual (not a business/commercial entity... even if there is only one individual in the business/commercial entity, such as a sole proprietorship) (exception: rental vehicles, and vehicles being leased rather than purchased outright from a dealer on a standard lease agreement, may be treated as POVs, provided they meet the next 3 criteria).
- Is designed as a typical passenger vehicle (sedan, pickup truck, minivan, full-size passenger van, station wagon, SUV, etc.).
- Does not have or ever displayed any commercial markings (such as company name or logo painted on the body, removable magnetic sign with company name displayed on the vehicle, etc.).
- Is not being used for commercial purposes.

Restricted driving privileges. The granting of limited driving privileges (subsequent to suspension or revocation of installation driving privileges), such as driving only directly to and from the place of employment/duty, provided the person's state driver's license

XVIII Airborne Corps and Fort Bragg Regulation 190-5

remains valid. Requests for restricted driving privileges will be referred to the Garrison Commander for determination.

Revocation of driving privileges. Action taken by the Garrison Commander to terminate a privilege to operate a motor vehicle on a military installation.

Suspension of driving privileges. The temporary withdrawal by the Garrison Commander of a person's privilege to operate a motor vehicle on a military installation for up to 12 months. Privileges normally are automatically restored on the day after the date the suspension ends.

Traffic laws. All laws, ordinances, and regulations concerning roadway traffic, including operation of motor vehicles, parking, and regulations on weight, size, and type of vehicles and cargo.

Unaffiliated personnel. Personnel not holding a DoD, DA, or comparable federal government ID card, and who have not otherwise been designated as entitled to register a vehicle by this regulation.

Vehicle registration. The process by which an individual applying for a decal/temporary pass personally visits a Vehicle Registration Center, completes required paperwork, presents required documentation, and receives/updates a decal set or a temporary pass. Entry of the appropriate data into the Vehicle Registration System (VRS) completes the process.

Vendor. A business/entity and its employees doing business with Fort Bragg but without a contract; e.g., via Government Purchase/Credit cards.
