

Quadcon LSA Adapters

- LSA adapter, is a set of two metal plates that clip to the bottom of the Quadcon, therefore eliminating the need for a 463L pallet.
- Cost (approximately) \$1 100.00 (pr)
- Only minutes to install
- Saves space on acft due to LSA adapters are smaller than 463L pallet.

Cost of Chains/Devices

- (approximate costs)
 - 14 tie down chains (\$100 ea)
 - 10 tie down devices (\$92 ea)
 - 2" X 6" X 12' (shoring / \$8 ea)
 - Approximate total cost: \$2328.00
 - Takes more than an hour to install all chains
 - Wastes space on acft due to unused space on pallet
-
-

Approved for Acft

- Approved for use on the following acft:
- C-17
- C-5
- C-130
- C-141

Additional Information

- Additional information on the LSA adapter
 - http://www.cmci-containers.com/products/lsa_adapter.html
 - NSN: 8145-01-509-1183
