~~MEMORANDUM FOR SEE DISTRIBUTION~~

SUBJECT: The Iraq War (2003-2011) history book publication

1. Per the guidance of MG Jeffrey Buchanan, the final J-9 / Spokesman for United States Forces-Iraq, I am proud to provide your office or headquarters with a complimentary official copy of a history book detailing the Iraq War. The book was developed during Operation New Dawn and completed following the successful transition to the Office of Security Cooperation-Iraq. Several offices and headquarters have already received a copy of this book from our initial distribution a few months ago.

2. Our USF-I J9 / Public Affairs office initiated the production of this book in 2011 during the deployment, and subsequently completed the book upon redeploying. MG Buchanan's intent is to share a copy with each of the divisions and other major operational-level headquarters that participated in Operation Iraqi Freedom and/or Operation New Dawn. It is equally important to provide our troops an opportunity to purchase this book online for their own enjoyment. Please share this information with your units so others will have an opportunity to order one as well. The book can be purchased for \$33.00 through the Government Printing Office at the following link: *
