Computer Clue

Accessing On-Line Versions of Army Regulations

This Computer Clue provides guidance on accessing On-Line versions of Army Regulations on the INTERNET.

Go to the PSBC Business Management Web Site at:

www.bragg.army.mil/psbc-bm

From the Homepage select **Pubs & Forms**.

At the Pubs & Forms page select **Army Regulations (AR)**.

In the Search by Publication Number block enter the AR number, i.e., **ar 670-1** and click on the **GO** bar. (Be sure that the Search by Publication Number Radio Button is selected.)

The Search Results screen will provide access to the publication you desire. Publications are provided in a variety of formats (HTML - XML - BOO - PDF). It is suggested that you select the **PDF** format for viewing and printing.

If the No Records Found screen is displayed, you have not entered a correct search or the publication is not available in electronic format.

Some ARs have restricted delivery and require Army Knowledge Online (AKO) access. If you do not have AKO access refer to **PSBC Computer Clue “Accessing Army Knowledge Online (AKO).”**

You need the **Adobe Acrobat Reader** to view and print **PDF** files. The software may be downloaded from the Business Management Web Site.

If the publication does not open, click on the alternate (right) mouse button and select Save Target As. Save the document to your Desk Top and open from there. After you have finished with the document, delete the file from your Desk Top.
