| <p>1. Purpose. To prescribe the procedures for how Commanders may use government funds to purchase unit flags to be hung at their quarters on post.</p> <p>2. Applicability. This policy is applicable to all XVIII Airborne Corps units and tenant units on Fort Bragg to include the 82d Airborne Division.</p> <p>3. Eligibility. Only Commanders residing in government quarters at Fort Bragg who are authorized, in accordance with Army Regulation (AR) 840-10, to have an organizational flag and who have a sufficient quantity of organizational flags on their organization's Modified Table of Organization and Equipment/Table of Distribution and Allowances (MTOE/TDA) are eligible.</p> <p>4. Procedures.</p> <p>a. The United States Army Institute of Heraldry (AIH) must approve all Army organizational flags. Similarly, all organizational flags must be purchased from vendors approved by AIH for the manufacture of heraldic items.</p> <p>b. The organization must also ensure that their organizational flag is authorized on their MTOE or TDA in sufficient quantity to accommodate display at both the unit and on government-provided quarters.</p> <p>c. All organizational flags will be accounted for on the unit property book.</p> <p>d. Organizational flags that will be displayed at government quarters will be sub-hand receipted to the Commander. The Commander must sign out and hand receipt the flag before hanging it at their quarters on post.</p> <p>e. Organizational flags will be purchased using funds (BASOPS, OPTEMPO) appropriate for purchase of MTOE/TDA items for that unit.</p> <p>f. Commanders may not purchase flags with government funds if these procedures are not followed.</p> |   |  |                          |
