PRESS RELEASE: Fort Bragg closures due to flooding, heavy winds

FORT BRAGG, N.C. (Oct. 8, 2016) – Numerous roads and two Access Control Points on Fort Bragg are closed due to heavy flooding and high gusts of wind.

The following roads are closed on Fort Bragg:

- Butner Road at Wilson Park
- Normandy and Rhine
- Knox and Honeycutt
- Honeycutt between the ACP at Bragg Blvd. and the housing area (main post side)
- Macomb and Souter
- Normandy and Reilly
- Yorktown Victor and McRidge

Manchester Access Control Point and Reilly ACP are now closed. All other ACPs remain open for normal operating hours. Roadways and drainage ditches throughout the installation, city and surrounding counties are filling with water, leading to treacherous driving conditions. Drivers are reminded not to drive through any water-covered roadways.

All Exchange and Commissary facilities are now closed, with the exception of Old Glory, which is located off of Reilly and Gruber Road.

Womack Army Medical Center remains at normal scheduled operating hours.

All Directorate for Family, Morale, Welfare and Recreation facilities are closed.

Saturday religious services are canceled. We will post an update regarding Sunday religious services tonight on our Fort Bragg Facebook page.

Fort Bragg residents who see power lines down or experience power outage in the barracks and other non-housing buildings, call 910-396-0321.

Contact the respective Community Center regarding power outages in on-post housing.

Fort Bragg Community Centers:

Ardennes / Bataan: 910-436-6054

Casablanca / Anzio Acres: 910-495-0120
